

TERAND

The Maintenance Professional's Choice

BUFFING CLEANER, POLISH and WAX

26611

FOR USE BY:

- Automobile Detailers • Fork Lift Sales
- Automobile Maintenance • Aircraft
- Car Rental Agencies • Car Dealerships
- Truck Fleet Maintenance
- Floor Equipment Sales • Marinas

- Safely Cleans and Protects Paint, Rubber, Plastic, Gel Coat, Vinyl, Aluminum and Chrome
- Blocks UV and Acid Rain Damage

A combination of all natural micro-fine buffing clays, solvents and natural wax. Provides the ultimate in convenience, safety, cleaning, protection and prevention. Removes road grime, tar, insect residue and surface oxidation. Protects surfaces from the harmful effects of acid rain, sun damage, fading, cracking and chipping by coating surfaces with micro fine wax, UV blockers and long lasting polymers. Forms an invisible barrier on treated surfaces that repels road grime, watermarks, insect residue, brake dust and more!

FOR USE ON:

- Alloy Wheels • Painted Bumpers
- All Chrome Parts • Fiberglass
- Marine Gel Coat • Aluminum
- Rubber • Plastic

- Removes Tar, Road Grime, Insect Residue and Oxidation
- Leaves a Hard Wax Protective Shine That Prevents Future Soil From Sticking
