

# BIO POWER "POWDER"

## B01101

Biologically breaks down and digests mixtures of organic greases, fats, protein materials, oil, hair and other waste materials. Reduces organic solids to liquids, reduces overloading of systems, reduces maintenance costs, eliminates stoppages and eliminates odors. This product contains a high anaerobic and aerobic bacterial activity, having a minimum of 1-1/2 billion colonies per gram of product, plus a high count of facultative types of bacteria.
