#### Description

This versatile, extra strength product is ideal for the cleaning and maintenance professional. Windows, glass, windshields, mirrors, displays, counters and more are easily cleaned of dirt, grease, oil, smudges, finger prints, lipstick and other stubborn deposits. The ammonia fortified formula uses advanced surfactant chemistry to provide maximum cleaning power without streaking, smearing, hazing or leaving behind any residue or film. Use this product in commercial & institutional cleaning, glass product manufacturing and installation, mirror manufacturing and installation and other applications where "Professional" performance and quality are required. The product is pleasantly fragrant with a floral scent and is safe to use on most other hard surfaces and materials.
