Product #35206

INSECTICIDES

Totally Non-Flammable

IMPACT

Total Release Insect Fogger

- Non-Staining and Virtually Odorless
- One Can Treats Up To 6,000 Cubic Feet
- Lock Valve For Continuous Spraying
- High Pressure Mist Goes Under Furniture, Behind Appliances and Into Cracks, Crevices, Corners and Walls To Kill Insects Where They Hide

An odorless, non-flammable, fogging mist that disperses throughout wide treatment areas. Kills a broad spectrum of insects, including fleas and ticks. Each can treats an area up to 6,000 cubic feet in size. Creates a minute particle fog that creeps under and around obstructions to kill insects where they hide. Locking actuator provides total release or intermittent spray.
