## OX-OFF B00340

This product is a concentrated blend of citrus solvent in a water base creating a powerful all purpose cleaner that can be diluted as directed to remove grease, grime, oil and other soils from just about anything you need to clean. The pleasant smelling formula deodorizes as well as cleans making it an ideal spray-and-wipe solution as well as a superior problem-solver for soaking applications. Safe for use on practically any washable surface, including many plastics, painted surfaces and laminates. Using the appropriate dilution, simply spray, wipe, mop or soak the surface or objects being cleaned, then wipe soils away. This versatile product may also be used in pressure washers, steam cleaning machines and automatic floor scrubbers. Requires little to no rinsing at higher dilutions. Non-abrasive. Contains biodegradable surfactants.
